

MORI SEIKI

LATHE / MACHINING CENTER

ARUMEX HUNGARY KFT.
Used Industrial Machines and Robots

YEAR :1987 1997

manufacturer: MORI SEIKI MT 25 A 500 4 axis

Controller: FANUC MSC 515

well maintained, good technical condition

30 position tool holder

12 position revolver head

cooler unit

documentation

automatic door

c axis at the spindle (0,001°)

y axis for milling

KUP automatic feeder

finished product conveyor

workpiece catcher

max diameter at lathe: 350mm

moving:

x: 405 mm

y: 300 mm

z: 1150 mm

main motor: 15 /11 KW

max rpm: 35-3500/min

milling spindle power: 5/3,3KW

milling speed: 40-4000/min

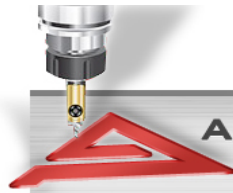

rapid speed:

x :12 m/min

z :12m/min

y : 12m/min

size: 4,5 x 2,6 x 2,7 m + feeder
